

The Greater Everett Brewer's League Journal

The purpose of The Greater Everett Brewers League is to promote and educate homebrewers in the production of craft-style homebrewed beers. As an AHA social club, we improve members' brewing skills by providing mentoring and networking to fellow brewers, promoting BJCP judging, providing evaluation and competition entry information, as well as promoting the local craft beer movement. This title has been made smaller for this important announcement.

December Same Brew Tasting

This week we are tasting our Black is Beautiful same brew. So far in the pipe I have heard of a special power outage, someone made theirs a double, and for me it was the worst brew day in a decade but still made a pretty tasty brew. I even heard someone might have an eggnog version.

Don't forget your giving spirit as this will be a fundraiser for the Cocoon House. This is an Everett non-profit whose mission is, "To empower young people, families, and the community to break the cycle of homelessness through outreach, housing and prevention.
