

The Greater Everett Brewer's League Journal

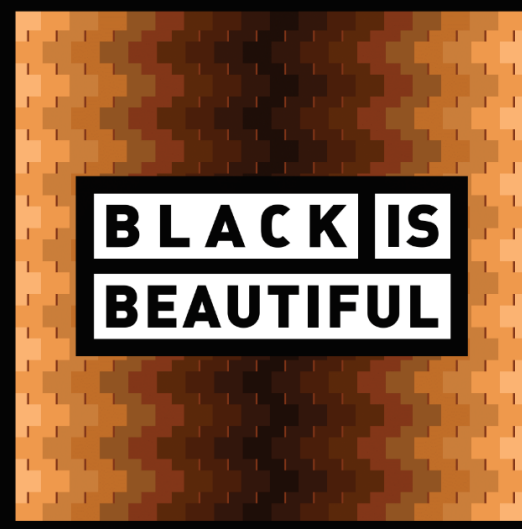

The purpose of The Greater Everett Brewers League is to promote and educate homebrewers in the production of craft-style homebrewed beers. As an AHA social club, we improve members' brewing skills by providing mentoring and networking to fellow brewers, promoting BJCP judging, providing evaluation and competition entry information, as well as promoting the local craft beer movement. This title has been made smaller for this important announcement.

December Same Brew

By the American Homebrewers Association

Black Lives Matter. Black breweries and black beer lovers contribute so much to the craft brewing community and we are all better when all of us are valued, respected, and have equal access to opportunities

We all have much to do ahead to bring awareness to and eradicate systemic racism, but one small step we can all take right now, together, is to support the Black is Beautiful initiative.

Imagined by Marcus Baskerville, founder

and head brewer at [Weathered Souls Brewing](#) in San Antonio, Texas, the Black is Beautiful initiative is a collaborative effort amongst the brewing community and its customers, to bring awareness to the injustices that many people of color face daily. Its mission is to bridge the gap that has been around for ages and provide a platform to show that the brewing community is an inclusive place for everyone of any color.

More than 1,200 breweries from 50 states and 22 countries have signed on to support the project and brew Black Is Beautiful, a moderately-high ABV stout. AHA Governing Committee member and past Homebrewer of the Year Annie Johnson worked with Baskerville to scale the recipe down to a volume suitable for homebrewers.

Learn more at [BlackIsBeautiful.beer](#) and if you brew the beer be sure to share your story using the official logo and #BlackIsBeautifulBeer hashtag.

Spirit of Sharing: We are going to reach out to BREW and Stilly Masher and see if they want to join us at the tasting in December.

Spirit of Modification: The Black is Beautiful is a recipe that can be modified. Feel free to change the yeast, add some adjuncts, go crazy.

Black is Beautiful/Community

One of the goals of this program is to donate to the community. We are going to be having a raffle at this time we are going to be taking donations for Everetts Cocoon house.

More than 34% of the total homeless population is under the age of 24. Cocoon House is a non-profit that conducts outreach to, and provides short and long term housing for homeless and at-risk young people, including their children. Parents of teens can also find support for themselves and their families at [Cocoon House](#) so that young people do not become homeless.

Lights Out Dark Beers 11/6.

The entry window is now open and entries are due by 10/28.. Make sure to register early as this will fill up quickly. This competition is put on by the Browns Point Homebrew Club and is focused on Dark beers only. All entries must be 18 SRM. From past experience they also have some fantastic prizes. I would strongly suggest entering.
