The Greater Everett Brewer's League Newsletter

The purpose of The Greater Everett Brewers League is to promote and educate homebrewers in the production of craft-style homebrewed beers. As an AHA social club, we improve members' brewing skills by providing mentoring and networking to fellow brewers, promoting BJCP judging, providing evaluation and competition entry information, as well as promoting the local craft beer movement.

December Meeting Recap

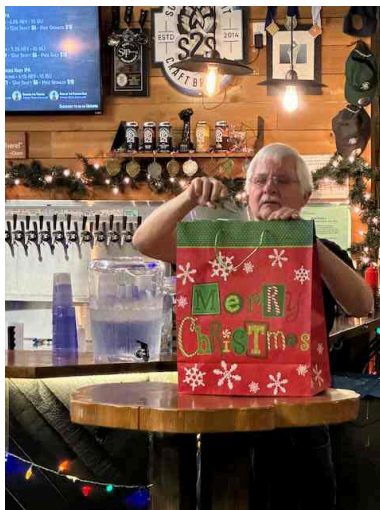

Party, party, party! A great time was had by all, beginning with a very extensive and delicious pot luck. Most of the evening was the gift exchange - secret Santa. Yep, there were a few steals and trades throughout the evening, and the gifts were dominated by special beers and a few notable gag gifts – including the rotating stuffed sheep. Thanks again to Doug Milnor for hosting our monthly meetings at Sound2Summit. Most of this newsletter is photos from the party.

January 2024 Meeting

Our next meeting will be Monday, January 15 at Sound2Summit – delayed a week due to college football success (Go Huskies!). We will have porter and stout judging, so bring your best dark brews. As always bring enough so that everyone can taste and judge – typically 3-12 oz bottles or 2-22's or a decent size growler. As always bring some of your home brew so we can all enjoy before the meeting gets started. We expect to have another raffle and/or silent auction.
