GEBL Brewer of the Year for 2004 . . .

After long debate in the Executive Committee meeting, we decided to give the award for 2004 to the host of the Executive Committee meeting, who was providing all of the beer! There was no election recount this time, just glasses to refill.

Cover of the Brew Your Own music video

By BYO Staff | Add to Favorites

The Greater Everett Brewers League in Washington state did a great job reworking the rock classic "Cover of the Rolling Stone" with homebrewing lyrics and then shot this music video "Cover of the Brew Your Own" to play during the 2012 National Homebrewers Conference.
