

The Greater Everett Brewer's League Journal

The purpose of The Greater Everett Brewers League is to promote and educate homebrewers in the production of craft-style homebrewed beers. As an AHA social club we improve members brewing skills by providing mentoring and networking to fellow brewers, promote BJCP judging, evaluation and competition entry, as well as promoting the local craft beer movement.

Happy Holidays December Meeting

Hope this letter finds everyone enjoying the Holiday season this year. We hope as many as possible can join us for the meeting this week at thursday. Lets see if we can get a huge turnout for the holidays!

We will be doing an online auction and hopefully enjoying some beers. I will post pictures of the items that will be auctioned below. If I receive information on more items I will send out a second list. This auction is to raise money for the club so bid often and bid high!

Also as a bonus for showing up, we'll have a game of beer trivia where the top two scorers will win a \$20 gift card to 192 Brewing in Kenmore, and Mt. Vernon WA!

Finally if you signed up for bottle trade make sure to you bottles in. If are interested in still, it is past deadline, but reach out to Jesse quickly to if we can get added.

Now the items.
